THE *Director of Food Supplies*

To

The Secretary to Government,
Food & Civil Supplies Department,
Bangalore.

Sir,

Subject: Dismantling lorry sheds in Shimoga.

Adverting to Government Order No.SD.8019-22/A.173-47-2 dated the 20th April 1948, on the above subject, I have the honor to state that it is reported by the Deputy Commissioner, Shimoga that the structure as a whole was auctioned on the 19th April 1948 and a bid of Rs.250/- was secured and that the sale was not confirmed as the bid was very low as compared with the original cost of construction. It was further stated that the materials were required for the Public Works Department for putting up lorry sheds.

The Deputy Commissioner in his letter No.CS.HC.108/48-9 dated the 12th July 1948 reports that the Executive Engineer, Shimpga proposes to adjust a sum of Rs.450/- towards the cost of the materials excluding the cost of dismantling and the carting to the Public Works Department Stores. It is stated that there are 65 poles in all in our lorry shed and all of them are proposed to be handed over to the Public Works Department, the cost of which is included in the sum of Rs.450/- above mentioned.

The Deputy Commissioner recommends to hand over all the materials released from our lorry shed, including the poles to the Public Works Department, Shimoga, at a cost of Rs.450/-.

I enclose copies of letters No.CS.HC.108/47 dated 13th May 1948 and 12th July 1948 from the Deputy Commissioner, Shimoga

Shimoga and agree with his proposal.

Under the circumstances mentioned, sanction of Government may kindly be accorded for the above proposal.

I have the honor to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

DISMANTLING LORRY SHEDS.

With reference to your letter No.TRC.5829/27-4-48 on the above subject, I have the honor to state that the Ex.Engineer, Shimoga states that the structure as a whole was auctioned on 19-4-48 and a bid of Rs.250/- has been secured and the sale is not confirmed as the same is very low as compared with the original cost. Further it is stated that the materials are required for the P.W.D. itself for putting up lorry sheds and arrangements will be made to credit the estimated value thereof to F.S.D.Head in the usual course.

In view of the above circumstances, I am opinion that the proposal of the Executive Engineer to adjust the estimated value of the materials to F.S.D. Head may kindly be approved. An early reply is requested.

DISMANTLING LORRY SHED.

With reference to your letter No.TRC.5829/45-46 dated 17th May 1948 on the above subject, I have the honor to state that the Executive Engineer, Shimoga proposes to adjust Rs.450/- towards the cost of the materials proposed to be taken up for the consutruction of the P.W.D.Lorry Shed as against Rs.1768/- provided in the estimate. It is stated that only a sum of Rs.250/- was secured during the sale and the present of Rs.450/- excludes the cost of dismantling and carting on to P.W.D.stores. The Poles are not required any longer for the Food Department in view of the decontrol of paddy and millets. I therefore request that sanction may kindly be accorded to hand over the poles to the P.W.D. subject to adjusting Rs.450/- to F.S.D.Head.
